

Equal Opportunities & Respecting Diversity

Equality is about recognising and removing the barriers faced by people involved, or wanting to be involved in sport. It is about changing the culture of sport to one that values diversity and enables the full involvement of disadvantaged groups in every aspect of sport.

Resolute Martial Arts is committed to the equality of opportunity that is afforded to everyone within all aspects of training and assessment.

Resolute Martial Arts will take every possible step to ensure that each person is treated equally and fairly throughout their training.

Respecting Diversity.

Resolute Martial Arts recognises the fact that everyone is different and entitled to live their lives as they see fit. To that end Resolute Martial Arts opposes all forms of unlawful discrimination on the grounds of Race, Nationality, Ethnic Origin, Religion, Sexuality, Marital Status, Age, Vulnerability or Disability. Within the United Kingdom it is illegal to discriminate against any of the above.

Equal Opportunities.

All individuals are entitled to the opportunity to realise their abilities and potential, to that end, Resolute Martial Arts will, if possible, safely alter any training regime or syllabus to enable their participation as and when required.
